Explanations	

Our company, Alfa Solar Enerji Sanayi ve Ticaret A.Ş., through its subsidiary Alfa Solar Romania S.R.L., has acquired 100% of the capital of Simian Solar Energy S.R.L., a company intended to engage in the production and sale of electricity from solar energy, for a total transfer price of 791,161 Euros. It is anticipated that the total investment cost for establishing a power plant with a capacity of 6000 kWp within Simian Solar Energy S.R.L. will be 3,400,000 Euros. The completion of the investment, along with the commencement of electricity production and sales, is targeted in the near future.

It is announced to the public with respect.

This statement has been translated into English for informational purposes. In case of a discrepancy between the Turkish and the English versions of this disclosure statement, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
