Explanations	

A new joint venture company under the trade name Zorlu Alfa Solar Hücre Üretimi Anonim Şirketi has been established in partnership between our company and Zorlu Holding Anonim Şirketi for the purpose of domestic photovoltaic solar cell production. The company will operate across the entire production process, from ingot slicing to wafer and solar cell manufacturing, and will engage in solar cell production and sales, primarily in Turkey, as well as in Europe, the United States, and other export markets.

The initial capital of the new company has been set at 250,000 TL, with Alfa Solar Enerji committing to a cash capital contribution of 125,000 TL, representing a 50% stake in the company. One-quarter (31,250 TL) of the committed capital has been paid before registration, while the remaining amount will be paid within 24 months following the registration.

The registration procedures of Zorlu Alfa Solar Hücre Üretimi Anonim Şirketi, headquartered in Istanbul, have been completed before the Istanbul Trade Registry Office as of today (March 20, 2025).

It is announced to the public with respect.
