Explanations	

On 31 July 2025, a joint venture was established with a shareholding structure of 51% by our Company (Alfa Solar Enerji Sanayi ve Ticaret A.Ş.), 39% by TG Enerji İnş. San. ve Tic. Ltd. Şti., and 10% by Saze Konaklama ve Restoran Hiz. İnşaat Enerji Turizm Bilişim Tic. Ltd. Şti. This partnership was formed to submit a bid for the tender registered under number 2025/842844, dated 4 August 2025, concerning the construction of a 20 MWe / 25.344 MWp Solar Power Plant (SPP) for Türkiye Şeker Fabrikaları A.Ş. (TÜRKŞEKER) Erciş Sugar Factory under an Energy Performance Contract. Our Company has been designated as the lead partner of the consortium.

As the contractual process regarding the aforementioned tender had not yet been finalized, and its disclosure to the public was deemed potentially misleading for investors, the announcement was postponed pursuant to the provisions of the Capital Markets Board's Communiqué on Material Events Disclosure (II-15.1).

The most advantageous bid was submitted by our joint venture, and the tender has been awarded accordingly. The order for the construction of the Solar Power Plant at the Erciş Sugar Factory was placed with our consortium at a contract value of TRY 1,543,633,728.18 (one billion five hundred forty-three million six hundred thirty-three thousand seven hundred twenty-eight Turkish Liras and eighteen kuruş). The contract was formally signed as of 6 October 2025.

The total contract period is 14 years, of which the first year is designated as the implementation phase.

It is announced to the public with respect.
