Explanations	

In the material event disclosure dated March 20, 2025, our Company announced its investment decision to establish a new joint venture company titled "Zorlu Alfa Solar Hücre Üretimi Anonim Şirketi" ("**Zorlu Alfa**") in partnership with Zorlu Holding A.Ş., with the purpose of producing domestically manufactured photovoltaic solar cells, in which Alfa Solar Enerji Sanayi ve Ticaret A.Ş. ("the Company") would hold a 50% share.

Following the negotiations between the parties regarding the planned investment and joint venture structure, it has been mutually agreed to terminate the investment initiative. Accordingly, a General Assembly resolution was adopted by Zorlu Alfa on November 30, 2025, to initiate the liquidation process of the company established for this purpose, and the relevant procedures have been formally commenced.

All developments related to the matter will continue to be disclosed to the public in a transparent manner as the process progresses.

It is announced to the public with respect.
