Explanations	

In our material event disclosure dated 01 December 2025, it was publicly announced that, following the negotiations conducted regarding the investment and joint venture structure established between our Company and Zorlu Holding Anonim Şirketi for the purpose of domestic photovoltaic solar cell production through Zorlu Alfa Solar Hücre Üretimi Anonim Şirketi ("Zorlu Alfa"), the parties mutually agreed to discontinue the investment. Accordingly, it was resolved at the General Assembly meeting held on 30 November 2025 to initiate the liquidation of Zorlu Alfa, and the relevant liquidation procedures were commenced.

Within this framework, following the completion of the required liquidation announcements and the expiration of the statutory waiting period, it was resolved at the Ordinary General Assembly Meeting of Zorlu Alfa held on 24 March 2026 to deregister the company from the trade registry and to finalize the liquidation process. The registration and other legal procedures related to the liquidation will be completed in accordance with the applicable legislation.

Respectfully submitted for the information of the public and our investors.
